

Support
Visteon workers!

Three Visteon plants that have been put into administration - Basildon, Belfast and Enfield – Workers at Enfield have been up on the roof of their plant since (Wednesday 1st April). with workers and supporters giving support and cheering from below. They are chanting “Ford jobs for life” which they were promised but instead have been thrown out of work. Workers worked the early shift on Tuesday only to be told at the end of the shift that the plant was in administration. No Job, No redundancy payments and No Pension!
